## LESSONS WITH ANDY HUNG

**Andy Hung** first started playing bridge when he was 17 during his lunch breaks in high school. He soon joined the QLD Youth Program as well as the ABF Youth Club, and within a year or two he competed in the Australian National (Youth) Championships for QLD at a national level, and represented Australia in the Schools Team at an international level.

Andy later moved to Melbourne as he completed his Bachelors in Aerospace Engineering but, due to the competitiveness in this field, Andy started to teach bridge in Brisbane from 2010.

In his bridge teaching career, Andy has taught many players at all levels ranging from absolute beginners, all the way up to national and international representatives. He is regarded as one of the most caring and understanding teachers, as he makes every effort to make sure all of his students understand the concepts that he's teaching, no matter how simple or difficult it may be.

Andy's teaching skills and experience was recognised by the Australian Bridge Federation in 2016 when he was made an ABF Honorary Teaching Fellow.

Andy has also been running successful Bridge Holidays (in and outside of Australia) since 2015. Popular destinations such as the Hunter Valley, Noosa, Margaret River and St. Petersburg in Russia, Andy's Bridge Holidays have a nice balance between the holiday aspect, and the bridge activities!

Besides teaching bridge, Andy has been the editor of the Australian Youth Bridge Bulletin since 2012, and editor of the Gold Coast Congress since 2019.

As a player, Andy has won several State and National titles, and competes as a member of the Australian Open Team at World Championships. He has also competed in the US Nationals.

If you'd like to contact Andy or know more about him, you can visit his bridge website at [www.andyhunbridge.com](http://www.andyhunbridge.com)

Lessons are conducted at the Club and details of each term's programme, which covers a full selection of courses, are advertised at the Club, in the press and on the WABC website [www.wabridgeclub.com.au](http://www.wabridgeclub.com.au). For further information and bookings contact Andy on 0425 101 094 or email [lessons@wabridgeclub.com.au](mailto:lessons@wabridgeclub.com.au)

Andy is regarded as one of Australia's foremost bridge teachers, with the ability to explain concepts clearly and logically, along with a reputation for being very calm and patient.

## INTERCLUB TEAMS OF 4

The Interclub Teams of 4 provides the only interclub competition in the Western Australian Bridge community. Teams of 4 are run monthly from February to November between participating metropolitan Clubs with matches alternating on a home and away basis during normal club sessions. A Red Point competition with three levels of competition: Restricted, Intermediate, and Open. The requirements for participation for each level are set out in the BAWA regulations and are available at [www.bawa.asn.au](http://www.bawa.asn.au) (follow *Information/Regulations* in the menus). Note that qualification rankings are based on the ABF Masterpoint Rankings list from the 1<sup>st</sup> January of the year of the competition.

There is no cost involved to the player other than providing a light supper for home matches. The club pays all entry fees, provides the venue, drinks, and the Director. Club policy is that as many members as possible play in “Interclub Teams” so members do not usually play every match.

### Team Captains 2023

**John Aquino, Sue Gammon** (Open)

**Kate North** (Intermediate)

**Andrea McCallum** (Restricted)

To register your interest, or to get more information, contact the office.

## SESSIONS & EVENTS FOR EMERGING PLAYERS

WABC welcomes less experienced players to all sessions. However, players who feel that they might not yet be ready to face the seasoned may prefer to play initially in a **Supervised Session** (Monday at 12:30pm, Wednesday Evening at 7:15pm, Friday at 9:30am or Saturday at 2pm).

There is also a **Mini Supervised Session** on Thursday at 9:15am that has set hands.

All of these sessions provide an excellent introduction to club duplicate.

In addition, the Club runs several competitions with entries restricted to players with limited Masterpoints. Some of these are open to all players from the Bridge community and some are restricted to Club members. These events are advertised but please ask if you are unsure.

## BAR OPERATIONS

The bar is managed by volunteers who have approved “Responsible Service of Alcohol” qualifications. No other member may enter the bar area. The bar will be open after each session with the exception of Good Friday.

## CLUB WEBSITE

Where details are advertised as being on the club web site, and a member does not have access to a computer, a printout will be provided, upon request, by the office.

## CLUB LIBRARY

WABC has a comprehensive and up-to-date library of more than 900 books, DVD’s and five periodicals on all aspects of playing bridge. Levels range from Beginners to Advanced and there is an archives section for books of historical interest. A computer is also available for use by Members.

Books are arranged on the shelves by author and most are available for loan. An Author, Title and Subject catalogue is provided in the library and on the Club’s website. A small committee runs the library and any committee member will help you to use it.

It works on an honour system. Borrowers must fill in the book card in the pocket of the book they wish to borrow, leave it in the Library Loans Box and return their book to the Library Returns Box. **ONLY WABC members** may borrow books for up to three weeks and renew through a Library Committee member if they wish to keep them for longer.

The library also collects a number of bridge periodicals, some of which are freely issued, others purchased. Bound copies of *Australian Bridge* and *Trumps Plus* are available for loan as with the books. Single issues of these and of *Bridge Magazines* may be borrowed for a week only on request.

## **PIANOLA**

Your membership fees include a subscription to Pianola. If you have supplied the club with a valid email address you will have access to their website which gives your personal results history, allows you to analyse your performance by partner and by role, gives you personal reports and helps you find new partners.

You can also find other club members if they have authorized their information to be public. Your information, by default, is private. Once the session results are uploaded Pianola will send you your results by email. You can choose to opt out of receiving these if you wish. Pianola Plus is not included in your fees. Members must arrange their own subscription to this additional feature.

## **PARTNERSHIP CO-ORDINATOR**

Players wishing to find a partner can contact the Partnership Co-ordinator via the phone number listed at the front of the Handbook. You can also use Pianola to find a partner.

## **THE TOURNAMENT DIRECTOR**

The Director is the referee and must be called if **anything** goes wrong or if the opponents are being rude. Don't try to fix things yourself. The director will give a ruling according to The Laws, a standard procedure which ensures fairness and equity. Any player except dummy may call the director during the play. There is no stigma attached to the Director being called; it is merely correct procedure and is your duty.

## **CLUB MASTERPOINT SECRETARY**

Queries regarding ABF Numbers, masterpoint ranking, allocation of points etc. should be directed to the Masterpoint Secretary, David Burn.

## **CLUB RECORDERS**

The Club has a panel of Recorders. The role of a Recorder is to hear, and deal with according to the Club's guidelines, complaints by players relating to issues at the table that were not brought to the Director's attention or may not have been resolved satisfactorily. The Recorders are

persons of high standing in the Club. Members can approach one of the Recorders in person, by phone or by email. Alternatively, the member can consult the Chairman of the Tournament Committee for advice as to how to contact a Recorder. Terms of Reference for the Recorder are available on the Documentation page of the Club's web site.

Club Recorders:	John Aquino	0434 608 834
	Anne Lowe	9385 3187
	Jane Henderson	0410 599 474
	Brian Embleton	0418 624 548

## ABF TBIB TRAVEL INSURANCE

TBIB's exclusive **ABF Annual Multi-trip Insurance Policy** or **ABF Single Trip Insurance Policy**. When it comes to travel insurance, finding the right policy for your specific needs, at the right price, is really important. TBIB know you value peace of mind especially when you are away, so when we prepare a policy for you we make sure it's the best fit for your needs at the best price possible.

**This is why we provide you with a completely online application, which enables you to cover a range of pre-existing medical conditions not generally available through a simple online screening process.**

**The 2024 Annual Multi-trip policy covers all travel between 1st March 2024 and the 1st March 2025.**

The Single Trip Policy can be applied for at any time, prior to departure (*we recommend commencing Travel Insurance as soon as you have paid your deposit*).

**The policy is available to ABF members, their families and friends. You can access a range of options designed to give you the very best cover for your specific needs and travel plans.**

**Click on this image on the Club's Home page to go to the TBIB website or phone (07) 3252 5254 to organise a quote.**
